

REMARKS

The following remarks are responsive to the Office Action of October 3, 2005.

Reconsideration of the application and a notice of allowance are respectfully solicited.

Claims 2, 4 and 6 are now in this application. Claims are amended herein to clarify the subject matter of the invention as the Examiner is suggested.

Claim Rejection-35 U.S.C. §112

Claims 2 and 4 are rejected under 35 U.S.C. §112. As the Examiner indicated in the Office Action, claims 2 and 4 are amended herein so as to overcome the claim rejection.

Claim Objection

Claim 2 is objected. As the Examiner indicated in the Office Action, claim 2 is amended herein so as to overcome the claim objection.

Allowable Subject Matter

The Examiner noted that claims 2 and 4 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. §112, 2nd paragraph.

Therefore, claims 2 and 4 are amended as the Examiner proposed. The amended claims do not contain new matter as the Examiner knows. Also the claim 6 is the

dependent claim of claims 2 and 4. Since the claims 2 and 4 are amended and would be allowable if rewritten or amended to overcome the rejection(s) as the Examiner knows, the claim 6 also is put the condition of allowance.

In light of the foregoing, I am now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited.

Respectfully submitted,

Tomio Otani
